Optional Addons

Weekend payouts: For an additional £10 /month you can also receive payouts on weekends and bank holidays.

Without this addon, you will receive payouts next business-day.

Hardware care: For an additional £5 /month per device your card machine will be protected from accidental damage and theft with next-day replacement.

Without this addon, you'll need to pay full cost for a replacement card machine if damaged or stolen. Software & electrical faults are always covered for free.

Premium support: For an additional £15 /month you'll get personal support from your dedicated Payments Consultant, to visit your site and solve any issues.

Without this addon, you'll still have access to Dojo's technical support between 8am-11pm and billing support between 8am-6pm.
